

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Librandi
DOCKET NO.: 18-20423.001-R-1
PARCEL NO.: 12-14-215-009-0000

The parties of record before the Property Tax Appeal Board are Frank Librandi, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,500
IMPR.: \$17,978
TOTAL: \$27,478

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry exterior construction with 1,696 square feet of living area. The dwelling is approximately 60 years old. Features of the home include a partial basement with a recreation room and a two-car garage. The property has a 10,000 square foot site and is located in Norridge, Norwood Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03 one-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 1,009 to 1,731 square feet of living area. The dwellings are 61 or 63 years old. One comparable has a full basement with a recreation room

and the three remaining comparables have crawl-space foundations. One comparable has central air conditioning. The comparables have improvement assessments that range from \$6,992 to \$12,821 or from \$6.03 to \$8.58 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$12,516 or \$7.38 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,478. The subject property has an improvement assessment of \$17,978 or \$10.60 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03 one-story dwellings of frame and masonry exterior construction ranging in size from 1,472 to 1,715 square feet of living area. The dwellings are 56 or 60 years old. The comparables each have a full or partial basement, three of which have recreation rooms, and each comparable has either a 1.5-car or a 2-car garage. One comparable has central air conditioning and a fireplace. The comparables have improvement assessments that range from \$16,070 to \$21,005 or from \$9.37 to \$14.27 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided eight suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables due to differences from the subject in dwelling size and/or features, as three of the comparables have crawl-space foundations in contrast to the subject dwelling which has a basement with a recreation room and none of the comparables are described as having a garage as does the subject property. The Board gives reduced weight to board of review comparable #3 as it has central air conditioning and a fireplace, not features the subject enjoys.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2 and #4. These comparables are similar to the subject in dwelling size, design, age and features. The comparables have improvement assessments that range from \$16,070 to \$21,005 or from \$9.37 to \$14.27 per square foot of living area. The subject's improvement assessment of \$17,978 or \$10.60 per square foot of living area is within the range established by the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
