

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Barr
DOCKET NO.: 18-20588.001-R-1
PARCEL NO.: 05-29-100-077-0000

The parties of record before the Property Tax Appeal Board are Susan Barr, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,383
IMPR.: \$78,193
TOTAL: \$118,576

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 4,135 square feet of living area. The dwelling is approximately 52 years old. Features of the home include a partial basement with a finished recreation room, central air conditioning, two fireplaces and a two-car garage. The property has a 28,845 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the same assessment neighborhood code as the subject. The comparables are improved with class 2-04, 1.5 to 1.9-story or 1-story dwellings of frame or frame and masonry exterior construction that range in size from 3,409 to 4,330 square feet of living area and range in

age from 41 to 93 years old. Three comparables have partial or full basements with one having a finished recreation room. One comparable has a concrete slab foundation. Four comparables have central air conditioning. Each comparable has one or three fireplaces and a 2-car, a 2.5-car, or a 3.5-car garage. The comparables have improvement assessments ranging from \$42,924 to \$78,988 or from \$12.59 to \$18.28 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$68,971 or \$16.68 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,576. The subject has an improvement assessment of \$78,193 or \$18.91 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that are located within the same assessment neighborhood code as the subject. The comparables are improved with class 2-04, 1-story or 1.5-story dwellings of masonry or frame and masonry exterior construction that range in size from 3,636 to 4,770 square feet of living area and range in age from 44 to 56 years old. Three comparables have partial or full basements with two having finished recreation rooms. One comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a 2-car, a 3-car, or a 3.5-car garage. The comparables have improvement assessments ranging from \$92,850 to \$135,732 or from \$19.63 to \$32.41 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1, #4 and #5 along with board of review comparables #1 and #4 due to their dissimilar age and/or style when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #3 along with board of review comparables #2 and #3 which are similar to the subject in age and style. These comparables have improvement assessments ranging from \$61,416 to \$103,713 or from \$15.79 to \$28.52 per square foot of living area. The subject's improvement assessment of \$78,193 or \$18.91 per square foot of living area is within the range established by the best comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant failed to prove by clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
