

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Muslim Yildiz  
DOCKET NO.: 18-20694.001-R-1  
PARCEL NO.: 05-17-300-011-0000

The parties of record before the Property Tax Appeal Board are Muslim Yildiz, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 17,550  
**IMPR.:** \$126,326  
**TOTAL:** \$143,876

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 4,004 square feet of living area. The dwelling is approximately 9 years old. Features of the home include a full basement with a formal recreation room, central air conditioning, two fireplaces and a two-car garage. The property has a 9,000 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement. In support of this argument, the appellant submitted information on five equity comparables located in the same neighborhood code as the subject. The comparables consist of two-story, class 2-08 dwellings, of frame, masonry or frame and masonry exterior construction. The homes range in age from 20 to 55 years old and range in size from 3,823 to 4,788 square feet

of living area. No data was provided by the appellant concerning the foundations/finished basements of the subject or comparable properties, but underlying printouts reveal that each of the comparables have full or partial basements, two of which are finished with formal recreation rooms. Each comparable has central air conditioning and two fireplaces. The comparables each have either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$69,452 to \$118,511 or from \$16.10 to \$25.15 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$95,295 or \$23.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$143,876. The subject property has an improvement assessment of \$126,326 or \$31.55 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject. The comparables consist of two-story, class 2-08 dwellings, of masonry exterior construction. The homes range in age from 4 to 16 years old and range in size from 3,840 to 4,341 square feet of living area. Each comparable has a full basement, three of which have formal recreation rooms. The comparables each have central air conditioning, two to four fireplaces and a two-car garage. The comparables have improvement assessments ranging from \$150,937 to \$166,272 or from \$34.77 to \$43.30 per square foot of living area. Based on the foregoing evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 through #4 which are from 28 to 46 years older than the subject dwelling which is 9 years old.

The Board finds the best evidence of assessment equity to be appellant's comparable #5 and the board of review comparables which present varying degrees of similarity to the subject in location, age, dwelling size and/ or features. These comparables had improvement assessments that ranged from \$118,511 to \$166,272 or from \$25.15 to \$43.30 per square foot of living area. The subject's improvement assessment of \$126,326 or \$31.55 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compare to the subject in age, size and/or other features, the Board finds the appellant did not demonstrate with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
