

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Kurowski
DOCKET NO.: 18-20866.001-R-1
PARCEL NO.: 05-28-300-048-0000

The parties of record before the Property Tax Appeal Board are Ron Kurowski, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,435
IMPR.: \$44,104
TOTAL: \$59,539

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 1,888 square feet of living area. The dwelling is approximately 86 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace, and a one-car garage. The property has an 8,575 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject dwelling is classified as a Class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior years under Docket Number 16-20841.001-R-1 and 17-23048.001-R-1.¹ In both appeals the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$59,539. The board of review reported in its

“Board of Review Notes on Appeal” that 2016 was the beginning of the subject’s general assessment cycle in its submission.

For this 2018 tax year appeal, the appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables. The comparables are improved with Class 2-05 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,777 to 2,098 square feet of living area. The comparables other features have varying degrees of similarity when compared to the subject property. The comparables have improvement assessments ranging from \$37,192 to \$40,156 or from \$18.82 to \$20.93 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$37,061 or \$19.63 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,371. The subject property has an improvement assessment of \$48,936 or \$25.92 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with Class 2-05 dwellings of frame and masonry exterior construction ranging in size from 1,903 to 2,111 square feet of living area. The comparables other features have varying degrees of similarity when compared to the subject property. The comparables have improvement assessments ranging from \$53,405 to \$68,334 or from \$27.99 to \$34.00 per square foot of living area. Based on this evidence, the board of review requested that the subject’s assessment be confirmed.

Conclusion of Law

The Board finds the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for the 2016 and 2017 tax years under Docket Number 16-20841.001-R-1 and 17-23048.001-R-1. In these appeals, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$59,539. The Property Tax Appeal Board takes notice that Cook County's triennial general assessment period began in the 2016 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

Therefore, the Board finds that the prior year's decision should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The Board finds the board of review reported that 2016, 2017 and 2018 are within the same general assessment period for New Trier Township. Additionally, the appellant's appeal form indicates the property is owner occupied since the appellant has the same mailing address as the subject property. The record contains no evidence indicating that the assessment year in question is in a different general assessment period. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
