

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vandana Patel  
DOCKET NO.: 18-20874.001-R-1  
PARCEL NO.: 05-29-420-003-0000

The parties of record before the Property Tax Appeal Board are Vandana Patel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$29,000  
**IMPR.:** \$151,965  
**TOTAL:** \$180,965

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story dwelling of masonry exterior construction with 6,103 square feet of living area. The dwelling is approximately 21 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces, and a 2.5-car garage. The subject is located in Wilmette, New Trier Township, Cook County. It is classified as a Class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improvement with class 2-09 dwellings of masonry exterior construction ranging in size from 5,533 to 7,362 square feet of living area. The dwellings range in age from

50 to 89 years old. Each comparable has a full basement with one having finished area, central air conditioning, two to five fireplaces, and either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$81,999 to \$144,936 or from \$13.86 to \$19.71 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$108,328 or \$17.75 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,819. The subject property has an improvement assessment of \$152,819 or \$25.04 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, three of which are located within the same neighborhood code as the subject property. The comparables are improved with class 2-09, two-story dwellings of frame or masonry exterior construction ranging in size from 5,231 to 5,924 square feet of living area. The dwellings are either 13 or 16 years old. Each comparable has a full basement with two having finished area, central air conditioning, two to five fireplaces, and either a 2.5-car, 3-car, or a 3.5-car garage. The comparables have improvement assessments ranging from \$122,353 to \$207,072 or from \$23.39 to \$35.61 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of seven comparables for the Board's consideration. The Board gives less weight to appellant's comparables and the board of review comparable #4 due to differences in the dwellings' sizes and/or ages when compared to the subject. The Board also gives reduced weight to the board of review comparable #2 which has a different neighborhood code than the subject and a considerably higher improvement assessment in relation to the other comparables in this record.

The Board finds the best evidence of assessment equity to be the board of review comparables #1 and #3 which are most similar to the subject in location, design, exterior construction, age, dwelling size, and other features. The comparables have improvement assessments of \$147,685 and \$141,274 or \$24.93 and \$25.25 per square foot of living area, respectively. The subject's improvement assessment of \$152,819 or \$25.04 per square foot of living area is above the bracket of the two best comparables in this record on an overall improvement assessment basis and within the range on a per-square-foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
