

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rodney Zimmerman  
DOCKET NO.: 18-20922.001-R-1  
PARCEL NO.: 05-17-316-011-0000

The parties of record before the Property Tax Appeal Board are Rodney Zimmerman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$26,320  
**IMPR.:** \$119,689  
**TOTAL:** \$146,009

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 4,834 square feet of living area. The dwelling is approximately 19 years old. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a 2.5-car garage. The property has an 18,800 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three comparables located within the same assessment neighborhood code as the subject. The comparables are improved with class 2-08 dwellings of masonry or frame and masonry exterior construction that range in size from 4,406 to 4,949 square feet of living area and range in age from 57 to 62 years

old. Two comparables have partial or full basements with recreation rooms and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a 2.5-car, a 3-car, or a 3.5-car garage. The comparables have improvement assessments ranging from \$87,326 to \$103,489 or for either \$19.82 or \$20.91 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$97,550 or \$20.18 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,009.

The subject has an improvement assessment of \$119,689 or \$24.76 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, two of which are located within the same assessment neighborhood code as the subject. The comparables are improved with two-story, class 2-08 dwellings of masonry exterior construction that range in size from 4,229 to 4,341 square feet of living area and are either 12 or 16 years old. The comparables have full basements with two having recreation rooms. Each comparable has central air conditioning, two or three fireplaces, and a two-car or a three-car garage. The comparables have improvement assessments ranging from \$132,015 to \$150,937 or from \$30.78 to \$35.00 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven equity comparables for the Board's consideration. The Board gave less weight to the appellant's comparables due to their considerably older ages when compared to the subject. The Board also gave less weight to board of review comparables #3 and #4 as both are located within a different assessment neighborhood code than the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2 which overall are most similar to the subject in location, age, dwelling size and most features. However, both comparables have recreations rooms in their basements unlike the subject's unfinished basement. These two best comparables each have an improvement assessment of \$148,015 or \$35.00 per square foot of living area which is higher than the subject's improvement assessment of \$119,689 or \$24.76 per square foot of living area. Therefore, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
