

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fred Walz
DOCKET NO.: 18-20984.001-R-1
PARCEL NO.: 05-34-203-006-0000

The parties of record before the Property Tax Appeal Board are Fred Walz, the appellant, by attorney Spiro Zarkos of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,105
IMPR.: \$65,219
TOTAL: \$80,324

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,695 square feet of living area. The dwelling is approximately 108 years old. Features of the home include a partial basement with a recreation room, central air conditioning, a fireplace and a two-car garage. The property has a 7,950 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with class 2-06 dwellings of frame exterior construction ranging in size from 2,645 to 2,895 square feet of living area. The dwellings range in age from 118 to 158

years old. Each comparable has a full or partial basement, one of which has a recreation room, three comparables have central air conditioning, three comparables each have a fireplace and each comparable has from a 1-car to a 2.5-car garage. The comparables have improvement assessments that range from \$51,930 to \$57,751 or from \$17.94 to \$20.64 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$53,038 or \$19.68 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,324. The subject property has an improvement assessment of \$65,219 or \$24.20 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with class 2-06 two-story dwellings of frame exterior construction ranging in size from 2,256 to 2,934 square feet of living area. The dwellings range in age from 108 to 113 years old. Each comparable has a full basement, two of which have recreation rooms, one comparable has central air conditioning and each comparable has a fireplace and a two-car garage. The comparables have improvement assessments that range from \$70,550 to \$76,049 or from \$25.92 to \$31.65 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #3 due to their considerably older ages when compared to the subject dwelling. The Board finds the best evidence of assessment equity to be the appellant's comparable #4 and the comparables provided by the board of review, which are relatively similar to the subject in location, dwelling size, design, age and some features. These comparables have improvement assessments ranging from \$57,751 to \$76,049 or from \$20.64 to \$31.65 per square foot of living area. The subject's improvement assessment of \$65,219 or \$24.20 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
