

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tor Solberg  
DOCKET NO.: 18-21123.001-R-1  
PARCEL NO.: 05-16-103-007-0000

The parties of record before the Property Tax Appeal Board are Tor Solberg, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$59,155  
**IMPR.:** \$87,113  
**TOTAL:** \$146,268

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 4,413 square feet of living area. The dwelling is approximately 127 years old. Features of the home include a partial unfinished basement, central air conditioning, six fireplaces, and a 1.5-car garage. The property has a 30,336 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject dwelling is classified as a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on six equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with Class 2-06 dwellings of frame or stucco exterior construction ranging in size from 3,986 to 4,788 square feet of living area. The dwellings range in age from

103 to 128 years old. Five comparables each have central air conditioning. Each comparable has a partial or full basement with three having finished area, one to three fireplaces, and a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$73,958 to \$96,910 or from \$18.53 to \$20.85 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$87,113 or \$19.74 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$155,711. The subject property has an improvement assessment of \$96,556 or \$21.88 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with Class 2-06 dwellings of masonry or frame and masonry exterior construction ranging in size from 4,076 to 4,589 square feet of living area. The dwellings range in age from 78 to 88 years old. Each comparable has a partial or full basement with one having finished area, central air conditioning, two or four fireplaces, and a 2-car garage. The comparables have improvement assessments ranging from \$95,460 to \$119,416 or from \$22.48 to \$27.06 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #4 through #6 as well as the board of review comparable #3 due to the dwelling's finished basements when compared to the subject's unfinished basement. The board of review comparables also received less weight by the Board due to the dwellings considerably newer ages from 78 to 88 years old when compared to the subject's 127-year-old dwelling.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 through #3. These dwellings are most similar to the subject in location, design, exterior construction, age, unfinished basements, and other features. These three comparables have improvement assessments ranging from \$73,958 to \$90,750 or from \$18.53 to \$19.48 per square foot of living area. The subject's improvement assessment of \$96,556 or \$21.88 per square foot of living area falls above the range established by the most similar comparables in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
