

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Jacobsen  
DOCKET NO.: 18-21147.001-R-1  
PARCEL NO.: 05-29-402-044-0000

The parties of record before the Property Tax Appeal Board are Jennifer Jacobsen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,406  
**IMPR.:** \$54,127  
**TOTAL:** \$67,533

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,131 square feet of living area. The dwelling is approximately 61 years old. Features of the home include a partial basement with finished area, two fireplaces and a two-car garage. The property has a 7,448 square foot site located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's petition disclosed the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 17-23112.001-R-1.<sup>1</sup> In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$67,533.

---

<sup>1</sup> The appellant's mailing address is the same as the subject property's address.

For this 2018 tax year appeal, the appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and other features. The comparables have improvement assessments ranging from \$40,800 to \$77,407 or from \$14.79 to \$22.77 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$42,343 or \$19.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,727. The subject property has an improvement assessment of \$55,321 or \$25.96 per square foot of living area. The board of review also reported that 2016 was the beginning of the subject's general assessment cycle. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and other features. The comparables have improvement assessments ranging from \$70,208 to \$83,733 or from \$28.39 to \$32.00 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for the 2017 tax year under Docket Number 17-23112.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$67,533 based on the evidence in the record. The Board further finds Section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the

Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

Therefore, the Board finds that the prior year's decision should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The evidence disclosed that 2017 and 2018 are within the same general assessment period for New Trier Township. Additionally, the appellant's appeal form indicates the property is owner occupied since the appellant has the same mailing address as the subject property. The record contains no evidence indicating that the assessment year in question is in a different general assessment period or that the subject property sold in an arms-length transaction establishing a different fair cash value. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
