

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Golden
DOCKET NO.: 18-21319.001-R-1 through 18-21319.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Susan Golden, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-21319.001-R-1	05-19-325-021-0000	14,689	17,906	\$32,595
18-21319.002-R-1	05-19-325-032-0000	3,103	0	\$3,103

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels with an improvement situated on one parcel. Parcel #1 (PIN #05-19-325-021-0000) is improved with a 1-story dwelling of frame exterior construction. The dwelling is approximately 93 years old and has 1,247 square feet of living area. Features of the home include a partial unfinished basement and a 2-car garage. Parcel #2 (PIN #05-19-325-032-0000) has a land assessment with no improvement assessment to the property. The subject's two parcels are located in Northfield, New Trier Township, Cook County. The subject is classified as a class 2-03 property for Parcel #1 under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal and did not contest the land assessments. In support of this argument, the appellant submitted information on three equity comparables that are located within the same

neighborhood code as the subject. The comparables are improved with similar class 2-03 dwellings of frame exterior construction ranging in size from 1,149 to 1,729 square feet of living area. The dwellings range in age from 60 to 78 years old and have partial or full unfinished basements. One comparable has central air conditioning. Each comparable has either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$11,366 to \$17,520 or from \$6.57 to \$13.76 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment for Parcel #1 be reduced to \$12,869 or \$10.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject's Parcel #1 of \$32,595. The subject has an improvement assessment of \$17,906 or \$14.36 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with class 2-03, 1-story or 1.5-story dwellings of frame exterior construction ranging in size from 1,189 to 1,406 square feet of living area. The dwellings range in age from 65 to 87 years old. Three comparables each have partial or full basements with one having finished area, and one comparable has a concrete slab foundation. One comparable has central air conditioning. Three comparables each have one fireplace. Three comparables have either a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$25,925 to \$28,723 or from \$19.80 to \$21.80 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Initially, the Board finds the appellant is only requesting a reduction in the improvement assessment for Parcel #1 so only that parcel will be analyzed for equity. The parties submitted seven suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 as well as the board of review comparables #1, #3 and #4 due to dissimilarities in the dwellings' newer ages, design, dwelling sizes, and/or lack of a basement and a garage when compared to the subject dwelling.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and the board of review comparable #2. These comparables are most similar to the subject in overall property characteristics when compared to the subject. These two comparables have improvement assessments of \$15,808 and \$25,925 or \$13.76 and \$21.80 per square foot of living area, respectively. The subject's improvement assessment of \$17,906 or \$14.36 per square foot of living area falls between the assessments of the two best comparables in this record. After

considering adjustments to these comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
