

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anna Scatena
DOCKET NO.: 18-21381.001-R-1
PARCEL NO.: 23-29-407-004-0000

The parties of record before the Property Tax Appeal Board are Anna Scatena, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,218
IMPR.: \$36,984
TOTAL: \$48,202

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 15,474 square foot parcel of land improved with a 32-year old, one and one-half story, frame and masonry, single-family dwelling containing 3,710 square feet of building area. The property is located in Palos Park, Palos Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted five sales comparables. The comparables are described as one-story, masonry, single-family dwellings with one located on the subject's Sidwell block. They range in age from 16 to 32 years and in size from 2,289 to 3,742 square feet of building area. They sold from July 2015 to June 2018 for prices ranging from \$108.00 to \$174.00 per square

foot of building area, rounded. The appellant also listed five additional sales of undescribed properties in the subject's neighborhood.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$48,202 which reflects a market value of \$482,020 or \$129.92 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four comparables. The properties are described as one or one and one-half story, masonry or frame and masonry, single-family dwellings with two located on the subject's Sidwell block. They range in age from 13 to 59 years and in size from 2,876 to 3,558 square feet of building area. They sold from April 2015 to January 2016 for prices ranging from \$136.03 to \$193.91 per square foot of building area. The board of review's comparable #3 is also used by the appellant as his comparable #4.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #3 and #4 and the board of review's comparables #1 and #3. These three comparables had sales prices ranging from \$108.50 to \$139.78 per square foot of building area. The remaining comparables were given less weight due to differences in size or location. In comparison the subject's assessment reflects a market value of \$129.92 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
