

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Terry Brady
DOCKET NO.: 18-21462.001-R-1
PARCEL NO.: 05-21-103-015-0000

The parties of record before the Property Tax Appeal Board are Terry Brady, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,531
IMPR.: \$91,728
TOTAL: \$117,259

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 4,032 square feet of living area. The dwelling is approximately 73 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace and a two-car garage. The property has a 13,093 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with class 2-06 dwellings of frame or frame and masonry exterior construction ranging in size from 3,862 to 4,658 square feet of living area. The dwellings range

in age from 76 to 123 years old. Each comparable has a partial or a full unfinished basement, central air conditioning, one or two fireplaces and a two-car or a three-car garage. The comparables have improvement assessments ranging from \$70,240 to \$90,750 or from \$15.75 to \$20.61 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$75,036 or \$18.61 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$117,259. The subject property has an improvement assessment of \$91,728 or \$22.75 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with two-story dwellings of masonry or frame or masonry exterior construction ranging in size from 3,318 to 4,263 square feet of living area. The dwellings range in age from 68 to 80 years old. Three comparables have full basements, two of which have finished area, and one comparable has a concrete slab foundation. Three comparables have central air conditioning. Each comparable has two or three fireplaces and a two-car garage. The comparables have improvement assessments ranging from \$88,458 to \$141,352 or from \$26.66 to \$33.16 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1 and #2 due to their older ages and/or dissimilar dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #3 and #4 as they are most similar to the subject in location, design, age, dwelling size, and features. However, comparable #3 has finished basement area in contrast to the subject's unfinished basement suggesting a downward adjustment may be necessary and comparable #4 has a concrete slab foundation suggesting an upward adjustment may be necessary. The two best comparables based on age and dwelling size have improvement assessments of \$109,570 and \$141,352 or \$28.25 and \$33.16 per square foot of living area. The subject's improvement assessment of \$91,728 or \$22.75 per square foot of living area falls below the assessment of the two best comparables in this record based on age and dwelling size. After considering adjustments to the comparables for differences to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was

inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
