

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Coon
DOCKET NO.: 18-21820.001-R-1 through 18-21820.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ryan Coon, the appellant(s), by attorney Katherine Amari O'Dell, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
18-21820.001-R-1	05-08-102-004-0000	6,728	0	\$6,728
18-21820.002-R-1	05-08-102-006-0000	9,504	0	\$9,504
18-21820.003-R-1	05-08-102-016-0000	66,290	16,978	\$83,268

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 79-year-old, two-story, building of masonry construction containing 4,867 square feet of gross building area. Features of the subject include a full finished basement, one fireplace and a two-car garage. The property is situated on 36,828 square feet of land in Glencoe, New Trier Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on January 10, 2018, for \$995,000. The subject's sale price reflects a market value of \$207.44 per square foot of

gross building area including land. The appellant also submitted a Multiple Listing Service (MLS) information sheet. The appellant provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties; and was advertised and sold by a realtor. The appellant failed to disclose how the transaction was settled. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,815. The subject's assessment reflects a market value of \$1,358,150, or \$279.06 per square foot when applying the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three suggested comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in January 2018 for \$995,000. The appellant provided evidence demonstrating the sale had the elements of an arm's-length transaction. The appellant provided information in Section IV-Recent Sale Data of the appeal that the parties to the transaction were not related, and that the property was sold using a Realtor. In further support of the transaction, the appellant submitted a copy of the settlement statement and the MLS information sheet. There was no evidence from the parties that the subject was sold short or from a foreclosure. The Board finds the purchase price was below the market value reflected by the assessment. Based on this record, the Board finds the subject property had a market value of \$995,000 as of January 1, 2018, and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
