

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Blair - DG Enterprises- East
DOCKET NO.: 18-22205.001-R-1
PARCEL NO.: 28-26-307-059-0000

The parties of record before the Property Tax Appeal Board are David Blair - DG Enterprises-East, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,926
IMPR.: \$6,235
TOTAL: \$8,161

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, frame, single-family home with 1,034 square feet of building area. The building is approximately 46 years old. The property has a 7,006 square foot site and is located in Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted descriptive information on the appeal grid sheet for five sale comparables. The comparables sold between August 2016 and January 2018 for prices ranging from \$35.16 to \$58.54 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,161. The subject's assessment reflects a market value of \$81,610, or \$78.93 per square foot of living area, including land, when applying the statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables, all of which reflected equity data. These comparables sold between January 2015 and September 2017 for sale prices ranging from \$81.25 to \$129.82 per square foot of living area, including land.

In written rebuttal, the appellant distinguished the board of review's comparables from the subject property and requested that the Board use the median sale price per square foot of the best comparables in the record in determining whether or not the subject is overvalued. The appellant also provided evidence that comparable #1 was part of a bulk transaction with a sale price per square foot, including land, of \$41.67.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1 through #5, as well as the board of review's comparables #1 through #4. These comparables were all similar to the subject in size, location and age, and sold for prices ranging from \$35.16 to \$129.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$78.93 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment to the appellant's request is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
