

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: DLB Reality LLC  
DOCKET NO.: 18-22207.001-R-1  
PARCEL NO.: 28-29-200-021-1012

The parties of record before the Property Tax Appeal Board are DLB Reality LLC, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$820  
**IMPR.:** \$4,380  
**TOTAL:** \$5,200

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a condominium unit within a 31-year old, multi-story, masonry, 141-unit condominium building. The property is located in Tinley Park, Bremen Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted copies of the settlement statement and the multiple listing database printout disclosing that the subject was purchased on September 20, 2017 for \$52,000. The appellant also included four sales comparables. These condominium units located within the subject's building sold for prices ranging from \$49,900 to \$56,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$6,343 which reflects a market value of \$63,430 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted a grid listing all the units within the subject's building and information on 31 sales of units within the subject's building including the subject's sale. These units sold from 2015 to 2017 for prices from \$48,000 to \$104,000. These sales total \$2,065,508. The board of review then applies the percentage of ownership of these sales to arrive at a value for the building and then applies the subject's percentage of ownership to arrive at a value for the subject. The grid lists the subject's sale at \$104,000, but also lists a sale for the subject in October 2017 for \$52,000.

In rebuttal, the appellant submitted a letter addressing the board of review's evidence.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in September 2015 for a price of \$52,000. The appellant submitted evidence of the sale while the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Moreover, the comparables submitted by both parties support the sale at market value. Based on this record the Board finds the subject property had a market value of \$52,000 as of the lien date and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
