

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joanna Dolan  
DOCKET NO.: 18-22249.001-R-1  
PARCEL NO.: 12-01-326-001-0000

The parties of record before the Property Tax Appeal Board are Joanna Dolan, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,174  
**IMPR.:** \$35,326  
**TOTAL:** \$40,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an 8,624 square foot parcel of land improved with a 61-year old, two-story, masonry, single-family dwelling containing 2,762 square feet of building area. The property is located in Park Ridge, Norwood Park Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant submitted copies a receipt of sale and a deed disclosing the purchase of the subject on January 17, 2018 for \$405,000 or \$146.63 per square foot of building area.

As to the equity argument, the appellant submitted three comparables. These properties are described as two-story, masonry or frame and masonry, single-family dwellings. They have improvement assessment from \$13.61 to \$13.99 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$47,295 and an improvement assessment of \$42,121 or \$15.25 per square foot of building area. The total assessment reflects a market value of \$472,950 or \$171.23 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four equity and four sales comparables. These properties are described as two-story, stucco or masonry or frame and masonry, single-family dwellings. They range: in age from 19 to 74 years; in size from 2,229 to 3,291 square feet of building area; and in improvement assessment from \$15.45 to \$17.04 per square foot of building area. The four sold from March 2017 to July 2018 for prices ranging from \$137.87 to \$197.51 per square foot of building area. The board of review also listed a sale of the subject in February 2016 for \$1.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in January 2018 for a price of \$405,000. The appellant submitted evidence of the sale of the subject. The board of review did not challenge the sale or the arm's-length nature of the transaction and, in fact, the subject's sale price is within the range of the board of review's sales comparables. Based on this record the Board finds the subject property had a market value of \$405,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. The Board also finds that after this reduction the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
