

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith and Diana Lacy
DOCKET NO.: 18-22641.001-R-1
PARCEL NO.: 02-05-100-005-0000

The parties of record before the Property Tax Appeal Board are Keith And Diana Lacy, the appellants; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,013
IMPR.: \$35,987
TOTAL: \$60,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 25 year-old, two-story dwelling of frame and masonry construction containing 2,861 square feet of living area. The property has a 39,988 square foot site in Barrington, Palatine Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2016 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellants submitted a brief stating that the subject property was an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board in the prior year under Docket Number 16-24732.001-R-1. In that appeal, the Property Tax Appeal Board issued

a decision lowering the assessment of the subject property to \$60,000 based on the evidence submitted by the parties. The appellants submitted a copy of that decision. The appellants asserted that tax years 2016 and 2018 are within the same general assessment period.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,254. The subject's assessment reflects a market value of \$712,540 or \$249.05 per square foot of living area, land included, when using the 2018 Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10.00%. The subject property has an improvement assessment of \$16.17 per square foot of living area. In support of its contention of the correct assessment the board of review submitted four equity comparable properties and one comparable sale.

In rebuttal, the appellants argued that the comparable properties submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics. The appellants reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellants raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2016 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2016 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed: that the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2016 tax year; that the subject property is an owner-occupied dwelling; and that 2016 and 2018 are within the same general assessment period. The record contains no evidence that the subject property was sold in an arm's-length transaction after the

Board's decision or that the decision of the Board has been reversed or modified upon review. Therefore, Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
