

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chi Zhang
DOCKET NO.: 18-23341.001-R-1
PARCEL NO.: 04-16-108-016-0000

The parties of record before the Property Tax Appeal Board are Chi Zhang, the appellant, by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,800
IMPR.: \$38,000
TOTAL: \$51,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,668 square feet of living area. The dwelling is approximately 41 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 12,000 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with two-story class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,830 to 2,859 square feet of living area. The dwellings range

in age from 47 to 55 years old and have partial or full basements with one comparable having finished area. Four comparables have one or two fireplaces. Each comparable has central air conditioning and either a 2-car or a 4-car garage. The comparables have improvement assessments ranging from \$32,262 to \$32,764 or from \$11.39 and \$11.46 per square foot of living area. The appellant requested the improvement assessment be reduced to \$30,521 or \$11.44 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,800. The subject property has an improvement assessment of \$38,000 or \$14.24 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code and the same block as the subject property. The comparables are improved with two-story class 2-78 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 2,601 to 2,728 square feet of living area. The dwellings range in age from 41 to 47 years old, have partial or full basements with one comparable having finished area. Three comparables each have a fireplace. Each comparable has central air conditioning and either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$39,548 to \$48,536 or from \$15.20 to \$18.07 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to their older age and larger dwelling sizes when compared to the subject. The Board gives reduced weight to the board of review comparable #2 due to its finished basement when compared to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be the board of review comparables #1, #3 and #4. These comparables received greater weight because they are located on the same block as the subject, are closer in age and dwelling size to the subject, and have an unfinished basement, like the subject. These comparables have improvement assessments ranging from \$39,548 to \$48,536 or from \$15.20 to \$18.07 per square foot of living area. The subject's improvement assessment of \$38,000 or \$14.24 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
