

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Musa Tillawi
DOCKET NO.: 18-23346.001-R-1
PARCEL NO.: 23-13-107-012-0000

The parties of record before the Property Tax Appeal Board are Musa Tillawi, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,321
IMPR.: \$14,964
TOTAL: \$20,285

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,278 square feet of living area. The dwelling is 47 years old, has a partial basement with finished area, central air conditioning, and a two-car attached garage. The property has an 8,515 square foot site and is located in Palos Hills, Palos Township, Cook County. The subject is classified as a Class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located within the same neighborhood code as the subject. Three comparables are also located within the same block as the subject. The comparables are improved with class 2-34, multi-level dwellings of frame and masonry exterior construction

ranging in size from 1,122 to 1,527 square feet of living area. The dwellings range in age from 46 to 49 years old, have partial basements with finished area, and a two-car attached garage. Seven comparables each have central air conditioning, and two comparables have one or two fireplaces. The comparables have improvement assessments ranging from \$12,331 to \$16,386 or from \$10.12 to \$10.99 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$13,571 or \$10.62 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,285. The subject property has an improvement assessment of \$14,964 or \$11.71 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code and the same block as the subject. The comparables are improved with class 2-34, multi-level dwellings of frame and masonry exterior construction ranging in size from 1,257 to 1,278 square feet of living area. The dwellings range in age from 46 to 48 years old, have partial basements with finished area, central air conditioning, and a two-car garage. The comparables have improvement assessments ranging from \$16,445 to \$18,715 or from \$12.90 to \$14.74 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 13 suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, and #6 due to differences in their dwelling size and/or age when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's remaining comparables as well as the board of review comparables which are identical or nearly identical to the subject in location, design, age, dwelling size, and most features. These ten comparables have improvement assessments ranging from \$12,720 to \$18,715 or from \$10.12 to \$14.74 per square foot of living area. Additionally, the appellant's comparable #4 and board of review comparables #1 and #2, which are located on the subject's same block and are also identical to the subject in almost every aspect, have improvement assessments of \$13,714 and \$18,715 or \$10.73 and \$14.64 square foot of living area. The subject's improvement assessment of \$14,964 or \$11.71 per square foot of living area falls within the range established by the ten best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
