

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pete Siampos
DOCKET NO.: 18-23362.001-R-1
PARCEL NO.: 23-33-200-027-0000

The parties of record before the Property Tax Appeal Board are Pete Siampos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,250
IMPR.: \$26,999
TOTAL: \$33,249

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry exterior construction with 2,475 square feet of living area. The dwelling is approximately 32 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace, and a two-car garage. The property has a 10,000 square foot site and is located in Palos Park, Palos Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on eight equity comparables that are located in the same neighborhood code as the subject. The comparables are improved with class 2-04, one-story or two-story dwellings of masonry or frame and masonry exterior construction ranging in size from 2,059 to 2,756 square feet of living area. The

comparables range in age from 29 to 34 years old, have partial or full basements, three of which have finished area, and have either a 2-car or a 2.5-car garage. Six comparables each have central air conditioning, and seven comparables have a fireplace. The comparables have improvement assessments ranging from \$20,878 to \$26,669 or from \$9.39 to \$10.18 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$24,738 or \$10.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,249. The subject property has an improvement assessment of \$26,999 or \$10.91 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-04, one-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,863 to 2,361 square feet of living area. The comparables range in age from 32 to 34 years old, have partial unfinished basements, a fireplace, and either a 2-car or a 2.5-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$24,864 to \$29,219 or from \$11.25 to \$13.48 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted twelve suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 through #5 and #7 as well as board of review comparables #1 and #2 due to differences in their design, smaller dwelling sizes, and/or finished basements when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are identical or relatively similar to the subject in location, design, age, dwelling size, and several features. These five comparables have improvement assessments ranging from \$22,290 to \$29,219 or from \$9.39 to \$12.38 per square foot of living area. The subject's improvement assessment of \$26,999 or \$10.91 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
