

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sager Salameh  
DOCKET NO.: 18-23384.001-R-1  
PARCEL NO.: 23-35-312-015-0000

The parties of record before the Property Tax Appeal Board are Sager Salameh, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,640  
**IMPR.:** \$25,620  
**TOTAL:** \$32,260

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry construction with 2,447 square feet of living area. The dwelling is 31 years old. Features of the home include a full finished basement, central air conditioning, a fireplace and a 2-car garage. The property has a 10,625 square foot site and is located in Orland Park, Palos Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located within the same neighborhood code as the subject. The comparables had lots ranging in size from 9,258 to 11,760 square feet of land area that were improved with class 2-78 dwellings of masonry or frame and masonry construction. The homes ranged in size from 2,176 to 3,536 square feet of

living area and ranged in age from 31 to 34 years old. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from January 2016 to February 2017 for prices ranging from \$230,000 to \$340,000 or from \$90.50 to \$126.63 per square foot of living area, including land. Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$26,371.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,260. The subject's assessment reflects a market value of \$322,600 or \$131.83 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, one of which was located within the same neighborhood code as the subject. The comparables had lots ranging in size from 10,000 to 13,400 square feet of land area that were improved with two-story dwellings of masonry or frame and masonry construction. The homes ranged in size from 2,340 to 2,708 square feet of living area and ranged in age from 28 to 35 years old. The comparables had other features with varying degrees of similarity to the subject. The comparables sold in either April or August 2016 for prices ranging from \$350,000 to \$440,000 or from \$142.80 to \$182.35 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sale #4 due to its significantly larger size, when compared to the subject. The Board also gave less weight to the board of review's comparable sales #2 thru #4, due to their locations outside of the subject's neighborhood code. The Board finds the parties' remaining comparable sales were similar to the subject in location, style, age, size and most features. However, three of the parties' best comparables had sale dates occurring greater than 16 months prior to the January 1, 2018 assessment date at issue. Nevertheless, the parties' best comparables sold from January 2016 to February 2017 for prices ranging from \$230,000 to \$367,000 or from \$99.22 to \$156.84 per square foot of living area, including land. The subject's assessment reflects a market value of \$322,600 or \$131.83 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
