

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Nijmeh
DOCKET NO.: 18-24155.001-R-1
PARCEL NO.: 13-18-403-009-0000

The parties of record before the Property Tax Appeal Board are George Nijmeh, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,968
IMPR.: \$18,569
TOTAL: \$21,537

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry exterior construction with 1,232 square feet of living area. The dwelling is 23 years old. Features of the home include a full unfinished basement, central air conditioning, and a two-car garage. The property has a 3,125 square foot site located in Harwood Heights, Norwood Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with one-story or 1.5-1.9-story class 2-03 dwellings of frame or masonry exterior construction ranging in size from 1,037 to 1,506 square feet of living area. The

dwelling range in age from 44 to 89 years old. Three comparables have crawl space foundations, and six comparables have partial or full basements with two comparables having finished area. One comparable has central air conditioning, two comparables each have a fireplace, and six comparables each have a two-car garage. The comparables have improvement assessments ranging from \$12,817 to \$19,397 or from \$11.40 to \$13.27 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$15,636 or \$12.69 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,537. The subject property has an improvement assessment of \$18,569 or \$15.07 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with class 2-03, one-story dwellings of masonry exterior construction ranging in size from 1,104 to 1,323 square feet of living area. The dwellings range in age from 47 to 57 years old and have full basements with one comparable having finished area. Three comparables each have central air conditioning, one comparable has a fireplace, and three comparables each have a two-car garage. The comparables have improvement assessments ranging from \$17,517 to \$21,129 or from \$15.25 to \$17.76 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration comparables. The Board gives less weight to the appellant's comparables #1, #2, and #4 through #9 and to the board of review comparable #1 due to their significantly older ages and/or lack of a basement when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables received greater weight by the Board because they are closer in age and similar in dwelling size to the subject property. These four comparables have improvement assessments ranging from \$13,910 to \$21,129 or from \$13.00 to \$17.76 per square foot of living area. The subject's improvement assessment of \$18,569 or \$15.07 per square foot of living area falls within the range of the best comparables in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
