

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Karras
DOCKET NO.: 18-24167.001-R-1
PARCEL NO.: 09-23-306-017-0000

The parties of record before the Property Tax Appeal Board are Anthony Karras, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,153
IMPR.: \$20,886
TOTAL: \$26,039

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of masonry exterior construction with 1,215 square feet of living area. The dwelling is approximately 55 years old. Features of the home include a partial basement with finished area, central air conditioning and a 2-car garage. The property has a 6,650 square foot site located in Niles, Maine Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables located in the same neighborhood code as the subject property. The comparables are improved with multi-level dwellings of masonry or frame and masonry exterior construction ranging in size from 1,095 to 1,473 square feet of living area. The comparables range in age

from 48 to 56 years old. Each comparable has a partial basement with finished area, central air conditioning and a 2-car or a 2.5-car garage. One comparable has a fireplace. The comparables have improvement assessments ranging from \$16,611 to \$23,483 or from \$14.80 to \$15.84 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$18,611 or \$15.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,039. The subject property has an improvement assessment of \$20,886 or \$17.19 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with multi-level dwellings of masonry or frame and masonry exterior construction ranging in size from 1,341 to 1,775 square feet of living area. The comparables range in age from 25 to 48 years old. Each comparable has a partial basement with finished area, central air conditioning and a 2-car or a 2.5-car garage, and three comparables each have one fireplace. The comparables have improvement assessments ranging from \$24,656 to \$31,960 or from \$18.01 to \$19.55 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #2, #4 and #9 due to their larger dwelling sizes when compared to the subject. In addition, the Board gave less weight to the board of review's comparables #2 through #4 due to their newer ages and/or larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3 and #5 through #8, as well as the board of review's comparable #1 as they are most similar to the subject property in location, design, age, dwelling size, basement and most features. These comparables have improvement assessments ranging from \$16,611 to \$24,656 or from \$14.90 to \$18.39 per square foot of living area. The subject's improvement assessment of \$20,886 or \$17.19 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
