

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Algis Dzemian
DOCKET NO.: 18-24192.001-R-1
PARCEL NO.: 23-10-202-023-0000

The parties of record before the Property Tax Appeal Board are Algis Dzemian, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,185
IMPR.: \$14,008
TOTAL: \$23,193

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry construction with 1,199 square feet of living area. The dwelling is 41 years old. Features of the home include a partial basement that is finished, central air conditioning, a fireplace and an attached two-car garage. The property has a 16,700 square foot site and is located in Palos Hills, Palos Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located within the same neighborhood code as the subject property. The comparables had lot sizes of ranging from 8,780 to 10,087 square feet of land area and were improved with similar class 2-34 dwellings of masonry or frame and masonry construction. The homes ranged in size from 1,369 to 1,767

square feet of living area and ranged in age from 44 to 48 years old. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from October 2016 to August 2017 for prices ranging from \$220,000 to \$273,000 or from \$154.50 to \$172.39 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$19,362. The requested assessment would reflect a total market value of \$193,620 or \$161.48 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,193. The subject's assessment reflects a market value of \$231,930 or \$193.44 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties, one of which was located within the same neighborhood code as the subject property. The comparables had lot sizes ranging from 7,860 to 28,800 square feet of land area and were improved with similar multi-level dwellings of frame or frame and masonry construction. The homes ranged in size from 1,288 to 1,592 square feet of living area and ranged in age from 35 to 44 years old. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from April 2015 to May 2017 for prices ranging from \$258,500 to \$404,987 or from \$200.70 to \$254.39 per square foot of living area, including land.

Based on this evidence the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sale #4, due to its sale occurring greater than 14 months prior to the January 1, 2018 assessment date at issue. The Board also gave less weight to the board of review's comparable sales, due to their sales occurring greater than 17 months prior to the January 1, 2018 assessment date at issue or their dissimilar neighborhood code. The Board finds the appellant's remaining sales were most similar to the subject in location, style, age, size and most features. The best comparables had sale dates ranging from May to August 2017 and sold for prices ranging from \$230,000 to \$273,000 or from \$154.50 to \$159.28 per square foot of living area, including land. The subject's assessment reflects a market value of \$231,930 or \$193.44 per square foot of living area, including land, which falls within the range established by

the best comparable sales on a total market value basis, but above on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their smaller lots and older dwellings, the Board finds the subject's assessment is well supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
