

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Luis Salinas
DOCKET NO.: 18-24202.001-R-1
PARCEL NO.: 09-10-301-027-0000

The parties of record before the Property Tax Appeal Board are Luis Salinas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,587
IMPR.: \$7,290
TOTAL: \$24,877

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry exterior construction with 1,745 square feet of living area. The dwelling is 73 years old. Features of the home include a concrete slab foundation, a fireplace, and a 2.5-car garage. The property has a 20,100 square-foot site and is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales which are located within the same neighborhood code as the subject property. The comparables are improved with class 2-03 dwellings of frame or masonry exterior construction ranging in size from 1,367 to 1,662 square feet of living area. The dwellings range in age from 49 to 87 years old and have crawl space

foundations. Two comparables each have a fireplace, and three comparables have either a 1.5-car or a 2-car garage. The comparables have sites ranging from 8,844 to 39,834 square feet of land area. The sale dates ranging from May 2017 through September 2018 for prices ranging from \$152,000 to \$225,000 or from \$111.19 to \$136.20 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$20,752. The requested assessment would reflect a total market value of \$207,520 or \$118.92 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,877. The subject's assessment reflects a market value of \$248,770 or \$142.56 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales which are located within the same neighborhood code as the subject. The comparables are improved with class 2-03, 1-story or 1.5-story dwellings of frame or masonry exterior construction ranging in size from 1,237 to 1,426 square feet of living area. The dwellings range in age from 67 to 76 years old. One comparable has a concrete slab foundation, and two comparables have full unfinished basements. Two comparables each have a fireplace and a 2-car garage. The comparables have sites ranging from 8,844 to 29,000 square feet of land area and sale dates ranging from January 2017 through October 2018 for prices ranging from \$235,000 to \$448,500 or from \$178.82 to \$362.57 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to both parties' comparables #1 and #3 due to their considerably smaller dwelling sizes when compared to the subject dwelling. Moreover, three of these comparables have a basement and/or lack a garage, unlike the subject.

The Board finds the best evidence of market value in the record to be the parties' remaining comparable sales. These comparables are similar to the subject in location, age, dwelling size, and other features and also sold within eleven months of the January 1, 2018 assessment date at issue. These three comparables sold from October 2017 through October 2018 for prices ranging

from \$189,000 to \$255,000 or from \$113.72 to \$178.82 per square foot of living area, including land. The subject's assessment reflects a market value of \$248,770 or \$142.56 per square foot of living area, including land, which falls within the range of the best similar comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
