

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kanellos Constantine
DOCKET NO.: 18-24205.001-R-1
PARCEL NO.: 05-33-117-040-0000

The parties of record before the Property Tax Appeal Board are Kanellos Constantine, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,550
IMPR.: \$61,270
TOTAL: \$71,820

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 3,591 square feet of living area. The dwelling is approximately 16 years old. Features of the home include a full finished basement, central air conditioning, two fireplaces, and a 2.5-car garage. The property has a 10,048 square foot site, and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables that are located within the same neighborhood code as the subject property. The comparables have varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$44,728 to \$67,540 or from \$14.56 to \$17.96 per

square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$59,685 or \$16.62 per square foot of living area.

The Property Tax Appeal Board (PTAB) takes notice that the subject property was the subject matter of an appeal before the Board the prior year under Docket No. 17-26324.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$71,820 based on the evidence of record. Furthermore, the record reveals that the subject property is an owner-occupied residence, as the appeal petition disclosed the subject's address is the same as the appellant's address.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,807. The subject property has an improvement assessment of \$70,257 or \$19.56 per square foot of living area. The board of review evidence also disclosed that the 2016 tax year was the first year of the general assessment period for New Trier Township.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables have varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$65,384 to \$75,338 or from \$20.37 to \$21.05 per square of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds pursuant to Section 16-185 of the Property Tax Code a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2017 tax year of \$71,820 should be carried forward to the 2018 tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash

value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board finds the Board issued a decision reducing the subject's assessment for the 2017 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
