

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Neil S & Nadine CZAKO  
DOCKET NO.: 18-24252.001-R-1  
PARCEL NO.: 10-36-219-008-0000

The parties of record before the Property Tax Appeal Board are Neil S & Nadine CZAKO, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,293  
**IMPR.:** \$30,294  
**TOTAL:** \$36,587

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4,340 square foot parcel of land improved with a 93-year old, one and one-half story, frame and masonry, single-family dwelling containing 1,982 square feet of building area. The property is located in Chicago, Rogers Park Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted three sales comparables. The comparables are described as one and one-half story, frame and masonry, single-family dwellings with one located on the subject's Sidwell block. They range in age from 91 to 95 years and in size from 1,833 to 2,271 square feet of building area. They sold from January 2015 to October 2017 for prices ranging from \$140.43 to \$151.48 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$36,587 which reflects a market value of \$365,870 or \$184.60 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four comparables. The properties are described as one or one and one-half story, masonry or frame and masonry, single-family dwellings. They range in age from 92 to 94 years and in size from 1,836 to 2,267 square feet of building area. They sold from August 2015 to June 2017 for prices ranging from \$186.83 to \$286.28 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparable #4. These three comparables had sales prices ranging from \$140.43 to \$230.69 per square foot of building area. The remaining comparables were given less weight due to differences in construction and/or design. In comparison the subject's assessment reflects a market value of \$184.60 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
