

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ki Bang Lee
DOCKET NO.: 18-24272.001-R-1
PARCEL NO.: 04-33-302-041-0000

The parties of record before the Property Tax Appeal Board are Ki Bang Lee, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,735
IMPR.: \$71,566
TOTAL: \$79,301

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry exterior construction with 4,113 square feet of living area. The dwelling is approximately 13 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace, and a 3-car garage. The property has an 11,900 square foot site located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-08 two-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 3,892 to 4,618 square feet of living area.

The dwellings range in age from 15 to 57 years old, and four comparables have partial or full unfinished basements. Each comparable has central air conditioning, one fireplace, and either a 2-car, a 2.5-car, or a 3-car garage. The comparables have improvement assessments ranging from \$64,980 to \$71,523 or from \$15.29 to \$17.07 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$67,905 or \$16.51 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,301. The subject property has an improvement assessment of \$71,566 or \$17.40 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject. The comparables are improved with class 2-08, two-story dwellings of masonry exterior construction ranging in size from 4,134 to 4,468 square feet of living area. The dwellings range in age from 9 to 16 years old and have partial or full basements with two comparables having finished area. Each comparable has central air conditioning, one or two fireplaces, and either a 2-car, a 3-car or a 3.5-car garage. The comparables have improvement assessments ranging from \$80,579 to \$91,731 or from \$19.00 to \$20.80 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #2 due to its older age and lack of a basement when compared to the subject. The Board also gives less weight to board of review comparables #2 and #3 due to their finished basements when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are similar to the subject in age, dwelling size, foundation, and some features. These six comparables have improvement assessments ranging from \$64,980 to \$87,573 or from \$15.29 to \$20.19 per square foot of living area. The subject's improvement assessment of \$71,566 or \$17.40 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
