

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sarah Arnett
DOCKET NO.: 18-24344.001-R-1
PARCEL NO.: 16-06-226-006-0000

The parties of record before the Property Tax Appeal Board are Sarah Arnett, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,440
IMPR.: \$43,000
TOTAL: \$50,440

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 93 year-old, two-story dwelling of frame and masonry construction containing. The parties differed as to the square footage of living area. Features of the subject include a full unfinished basement, central air conditioning, one fireplace and a two-car garage. The property has a 6,200 square foot site in Oak Park, Oak Park Township, Cook County. The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. The appellant argued that the subject contained 2,389 square feet of living area. In support of this argument, the appellant submitted a brief, a property record card, and a letter signed by an architect, each disclosing the subject contained 2,389 square feet of living area. The appellant submitted information on four

suggested equity comparable properties. These were from three to nine blocks of the subject. They ranged from 2,279 to 2,383 square feet of living area, or from \$16.05 to \$18.17 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,480. The board of review cited 2,688 square feet of living area. The subject property has an improvement assessment of \$47,040, or \$17.50 per square foot of living area, based on 2,688 square feet of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties. One was on the same block as the subject; the other three were within ¼ mile. These ranged from 2,204 to 2,743 square feet of living area, or from \$18.36 to \$19.55 per square foot of living area.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board accepts, for the purpose of this appeal, that the subject contained 2,389 square feet of living area. The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #1, #2, #3 and #4, and the board of review's comparable(s) #2. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$16.05 to \$18.88 per square foot of living area. The subject's improvement assessment of \$19.69 per square foot of living area falls above the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
