

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anzela Vencolvas  
DOCKET NO.: 18-24794.001-R-1  
PARCEL NO.: 18-30-401-015-0000

The parties of record before the Property Tax Appeal Board are Anzela Vencolvas, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$58,826  
**IMPR.:** \$1,174  
**TOTAL:** \$60,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 39-year-old, two-story, building of frame construction containing 3,352 square feet of gross building area. Features of the subject include a full unfinished basement, central air conditioning, one fireplace and a two-car garage. The property is situated on 103,934 square feet of land in Lyons Township, Cook County. The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity for land only as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparable properties. The appellant submitted a brief in which it argued the subject consisted of vacant land. The appellant also disclosed in its Assessment Grid Analysis that the subject contained an

improvement of 3,352 square feet. The appellant also submitted three suggested comparable properties that contained improvements.

The board of review submitted its Board of Review Notes on Appeal disclosing the total assessment for the subject of \$60,000. The subject property has a land assessment of \$58,826, or \$0.57 per square foot of land, and an improvement assessment of \$1,174, or \$0.35 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparable properties.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant failed to support the contention that the land assessment should be abstracted from the total assessment of the entire subject. The appellant's own evidence disclosed the subject contained an improvement.

The Board finds the best evidence of assessment equity to be the board of review's comparable(s) #1 #2 and #3. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$17.55 to \$19.30 per square foot of living area. The subject's improvement assessment of \$0.35 per square foot of gross building area falls below the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
