

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rick Malnati  
DOCKET NO.: 18-24906.001-R-1  
PARCEL NO.: 04-24-100-049-0000

The parties of record before the Property Tax Appeal Board are Rick Malnati, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$29,713  
**IMPR.:** \$53,343  
**TOTAL:** \$83,056

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of masonry exterior construction with 3,162 square feet of living area. The dwelling is approximately 66 years old. Features of the home include an unfinished partial basement, central air conditioning, two fireplaces and a 3-car garage. The property has a 49,523 square foot site and is located in Northfield, Northfield Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within the same neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of masonry exterior construction ranging in size from 3,258 to 4,467 square feet of living area. The dwellings range in age from 57 to 94

years old. The comparables each have a full or partial basement, two of which have finished area. Each comparable has one or two fireplaces and a 2.5-car or a 3-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments that range from \$48,639 to \$67,407 and either \$14.93 or \$15.09 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$47,367 or \$14.98 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,056. The subject property has an improvement assessment of \$53,343 or \$16.87 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,957 to 3,857 square feet of living area. The dwellings range in age from 57 to 67 years old. Three comparables each have a full or partial basement, one of which has finished area, and one comparable has a crawl space foundation. Each comparable has central air conditioning, one or two fireplaces and a 2-car or a 3-car garage. The comparables have improvement assessments that range from \$53,852 to \$87,255 or from \$18.21 to \$22.62 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided seven suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparables due to their older age and/or significantly larger dwelling sizes when compared to the subject. The Board gives less weight to the board of review comparables #1 and #4 due to their lack of a basement foundation and/or larger dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #2 and #3. These comparables are similar to the subject in dwelling size, design, age and some features. The comparables have improvement assessments of \$66,747 and \$70,127 or \$18.28 and \$21.68 per square foot of living area. The subject's improvement assessment of \$53,343 or \$16.87 per square foot of living area falls below the assessments of the two best comparables in this record. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
