

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ali Khounsary  
DOCKET NO.: 18-25256.001-R-1  
PARCEL NO.: 28-30-412-045-0000

The parties of record before the Property Tax Appeal Board are Ali Khounsary, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,037  
**IMPR.:** \$10,895  
**TOTAL:** \$13,932

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 936 square feet of living area. The dwelling is approximately 64 years old. Features of the home include a crawl-space foundation, central air conditioning and a 1.5-car garage. The property has an 8,100 square foot site and is located in Tinley Park, Bremen Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located within the same neighborhood code as the subject. The comparables had lots ranging in size from 3,175 to 9,180 square feet of land area and were improved with similar class 2-02 dwellings of frame construction. The comparables ranged in size from 626 to 988 square feet of living area and

ranged in age from 62 to 87 years old. One comparable had a crawl-space foundation, two were built on a slab foundation and one had a full unfinished basement. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from August 2016 to June 2018 for prices ranging from \$79,862 to \$121,000 or from \$111.67 to \$135.14 per square foot of living area, including land.

Based on this evidence, the appellant requested that the subject's total assessment be reduced to \$11,626. The requested assessment would reflect a total market value of \$116,260 or \$124.21 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,932. The subject's assessment reflects a market value of \$139,320 or \$148.85 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that were located within the same neighborhood code as the subject. The comparables had lots ranging in size from 6,739 to 7,875 square feet of land area and were improved with similar class 2-02 dwellings of frame construction. The comparables ranged in size from 888 to 960 square feet of living area and were either 62 or 64 years old. Two comparables had crawl-space foundations and one was built on a slab foundation. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from February to June 2017 for prices ranging from \$130,000 to \$180,000 or from \$138.89 to \$187.50 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3, as well as the board of review's comparables. These comparables sold for prices ranging from \$107,201 to \$180,000 or from \$111.67 to \$187.50 per square foot of living area, including land. The subject's assessment reflects a market value of \$139,320 or \$148.85 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave less weight to the appellant's comparables #2 and #4, due to their sales occurring greater than 12 months prior to the January 1, 2018 assessment date at issue. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
