

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marcin Zarebczan  
DOCKET NO.: 18-25765.001-R-1  
PARCEL NO.: 18-36-214-056-0000

The parties of record before the Property Tax Appeal Board are Marcin Zarebczan, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,307  
**IMPR.:** \$16,334  
**TOTAL:** \$19,641

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an 8,820 square foot parcel of land improved with a 40-year old, multi-level, frame and masonry, single-family dwelling containing 1,242 square feet of building area. The property is located in Bridgeview, Lyons Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant submitted five sales comparables. The comparables are described as multi-level, frame and masonry, single-family dwellings. They range in age from 30 to 50 years and in size from 1,056 to 1,577 square feet of building area. They sold from November 2015 to July 2017 for prices ranging from \$97.00 to \$158.00 per square foot of building area, rounded.

In support of the equity argument, the appellant submitted five comparables. The comparables are described as multi-level, masonry and frame, single-family dwellings. They range: in age from 34 to 47 years; in size 1,274 to 1,633 square feet of building area; and in improvement assessment from \$10.55 to \$11.99 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$19,776 with an improvement assessment of \$16,469 or \$13.26 per square foot of building area. The total assessment reflects a market value of \$197,660 or \$159.15 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four equity comparables. The comparables are described as multi-level, frame and masonry, single-family dwellings. They range: in age from 16 to 41; in size from 1,278 to 1,737 square feet of building area; and in improvement assessment from \$13.65 to \$15.76 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables. These comparables had sales prices ranging from \$97.70 to \$158.14 per square foot of building area. In comparison the subject's assessment reflects a market value of \$159.15 per square foot of building area is above the range of the best comparables in this record. Based on this record the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is justified. The Board further finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
