

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Rajner  
DOCKET NO.: 18-26264.001-R-1  
PARCEL NO.: 04-20-202-011-0000

The parties of record before the Property Tax Appeal Board are Richard Rajner, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,733  
**IMPR.:** \$34,267  
**TOTAL:** \$49,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 2,974 square feet of living area. The dwelling is approximately 41 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 14,374 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables have sites that range in size from 9,899 to 13,161 square feet of land area and are improved with class 2-78 dwellings of masonry or frame and masonry exterior construction that range in size from 2,294 to 3,112 square feet of living area.

The homes range in age from 13 to 46 years old. Each comparable has an unfinished basement, one fireplace and a two-car garage. Three of the comparables have central air conditioning. The comparables sold from May to November 2018 for prices ranging from \$323,000 to \$535,000 or from \$114.78 to \$172.19 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$45,404.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$53,484. The subject's assessment reflects a market value of \$534,840 or \$179.84 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.25 of a mile from the subject property. The comparables have sites that range in size from 10,164 to 10,704 square feet of land area and are improved with two-story, class 2-78 dwellings of frame and masonry exterior construction that range in size from 2,378 to 2,946 square feet of living area. The homes are each 44 years old. Each comparable has a basement, two with finished area, central air conditioning, one fireplace and a two-car garage. The comparables sold from July 2015 to November 2016 for prices ranging from \$500,000 to \$627,000 or from \$192.83 to \$217.78 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #2 due to its smaller dwelling size compared to the subject. The Board gave less weight to the board of review comparables due to their older sale dates in 2015 and 2016 which are less likely to reflect the subject's market value as of the January 1, 2018 assessment date, finished basement and/or dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #1, #3 and #4 which are relatively similar to the subject in location, dwelling size and most features. Appellant's comparable #3 is approximately 22 years newer than the subject which suggests a downward adjustment to this comparable to account for its newer age. These comparables sold from May to November 2018 for prices ranging from \$323,000 to \$535,000 or from \$114.78 to \$171.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$534,840 or \$179.84 per square foot of living area, including land, which falls within the range on an overall value basis and slightly above on a per square foot basis as established by

the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
