

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Andrews  
DOCKET NO.: 18-26282.001-R-1  
PARCEL NO.: 04-25-318-013-0000

The parties of record before the Property Tax Appeal Board are George Andrews, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,874  
**IMPR.:** \$39,589  
**TOTAL:** \$52,463

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,934 square feet of living area. The dwelling is approximately 60 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 2-car garage. The property has a 12,874 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property. The comparables have sites that range from 9,781 to 28,638 square feet of land area and are improved with class 2-04 dwellings of frame or masonry exterior construction that range in size from 1,802 to 3,084 square feet of living area. Two comparables

have basements with one having finished area, one comparable has a concrete slab foundation and one has a crawl space foundation. Each comparable has a 1-car or a 2-car garage, three comparables have central air conditioning and two comparables each have one fireplace. The comparables sold from June 2016 to August 2017 for prices ranging from \$460,000 to \$787,000 or from \$228.36 to \$255.27 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$47,910.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,463. The subject's assessment reflects a market value of \$524,630 or \$271.27 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located in different neighborhood codes than the subject property. The comparables have sites that range in size from 11,796 to 40,511 square feet of land area and are improved with one-story, class 2-04 dwellings of masonry or frame and masonry exterior construction that range in size from 1,904 to 2,145 square feet of living area. The homes range in age from 33 to 62 years old. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a 2-car garage. The comparables sold from July to October 2016 for prices ranging from \$600,500 to \$1,280,000 or from \$315.39 to \$596.74 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration which have varying degrees of similarity to the subject in location, age, site, dwelling size and features. The Board gave less weight to the appellant's comparables #3 and #4 along with board of review comparables which sold in 2016 and are dated and less likely to reflect the subject's market value as of the January 1, 2018 assessment date. The remaining two comparables sold in August and June 2017 for prices of \$575,000 and \$665,000 or for \$228.36 and \$252.08 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$524,630 or \$271.27 per square foot of living area, including land, which is bracketed on an overall value basis and above on a per square foot basis of the two best comparable sales in this record. The subject's higher price per square foot is considered justified given its smaller dwelling size relative to the two best comparables. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment, based on overvaluation is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
