

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Youming Ye  
DOCKET NO.: 18-26291.001-R-1  
PARCEL NO.: 04-25-318-042-0000

The parties of record before the Property Tax Appeal Board are Youming Ye, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,103  
**IMPR.:** \$91,313  
**TOTAL:** \$103,416

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 12,103 square foot parcel of land improved with a four-year old, two-story, frame and masonry, single-family dwelling containing 3,595 square feet of building area. The property is located in Glenview, Northfield Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant submitted three sales comparables. These comparables are described as two-story, frame or masonry or frame and masonry, single-family dwellings. They are 12-years old and range in size from 2,586 to 3,440 square feet of building area. They sold from August 2017 to October 2018 for prices ranging from \$250.65 to \$282.70 per square foot of building area.

In support of the equity argument, the appellant submitted six comparables. These comparables are described as two-story, frame or masonry or frame and masonry, single-family dwellings. They range: in age from seven to 60 years; in size from 2,925 to 3,575 square feet of building area; and in improvement assessment from \$16.56 to \$24.70 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$103,416 with an improvement assessment of \$91,313 or \$25.40 per square foot of building area. The total assessment reflects a market value of \$1,034,160 or \$287.67 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted eight comparables. The four sales comparables are described as two-story, frame or frame and masonry, single-family dwellings. They range in age from one to 16 years and size 2,698 to 3,628 square feet of building area. They sold from May 2015 to April 2016 for prices ranging from \$323.87 to \$384.92 per square foot of building area.

The four equity comparables are described as two-story, frame or masonry, single-family dwellings. They range: in age from one to 12 years; in size 3,504 to 3,764 square feet of building area; and in improvement assessment from \$26.64 to \$30.37 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #2 and #3 and the board of review's comparables #1 and #2. The comparables had sales prices ranging from \$250.65 to \$353.82 per square foot of building area. The remaining comparables were given less weight due to differences in construction and/or size. In comparison the subject's assessment reflects a market value of \$287.67 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, #4 and the board of review's comparables #1, #2 and #3. These comparables had improvement assessments ranging from \$15.25 to \$30.37 per square foot of building area. The remaining comparables were given less weight due to differences in age and/or construction. In comparison the subject's improvement assessment of \$25.40 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
