

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven And Wendy Peebles  
DOCKET NO.: 18-26314.001-R-1  
PARCEL NO.: 22-24-303-021-0000

The parties of record before the Property Tax Appeal Board are Steven And Wendy Peebles, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,563  
**IMPR.:** \$49,158  
**TOTAL:** \$60,721

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 42,048 square foot parcel of land improved with a 30-year old, two-story, masonry, single-family dwelling containing 4,412 square feet of building area. The property is located in Lemont, Lemont Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted four sales comparables. The comparables are described as two-story, frame or masonry, single-family dwellings. They range in age from 24 to 36 and in size from 4,058 to 4,747 square feet of building area. They sold from May 2017 to June 2018 for prices ranging from \$110.63 to \$128.02 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$60,721 which reflects a market value of \$607,210 or \$137.63 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four comparables. The comparables are described as two-story, masonry or frame and masonry, single-family dwellings. They range in age from 13 to 28 and in size from 4,625 to 4,802 square feet of building area. They sold from March to August 2016 for prices ranging from \$149.91 to \$205.12 per square foot of building area. The board of review also listed the sale of the subject in May 2015 for \$660,000 or \$149.59 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparable #2, #3, and #4. These comparables had sales prices ranging from \$124.29 to \$180.41 per square foot of building area. The remaining comparables were given less weight due to differences in construction. In comparison the subject's assessment reflects a market value of \$149.59 per square foot of building area is within the range of the best comparables in this record and below the actual sale price of the subject in 2015. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
