

**AMENDED
FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Rzepka
DOCKET NO.: 18-27097.001-R-1
PARCEL NO.: 19-32-230-046-0000

The parties of record before the Property Tax Appeal Board are Chris Rzepka, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,276
IMPR.: \$ 30,345
TOTAL: \$ 33,621

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame and masonry construction with 2,949 square feet of living area. The dwelling is 12 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a two-car garage. The property's site is 6,553 square feet, and it is located in Stickney Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables. These comparables sold between January 2016 and November 2018 for \$142,251 to \$340,000, or \$60.66 to \$111.22 per square foot of living area, including land.

The subject property was the subject matter of an appeal before the Board in 2019 under docket number 19-34232. In that appeal, the Board found that the subject is owner-occupied and rendered a decision lowering the subject's assessment to \$34,026. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$26,436.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$33,621. The subject's assessment reflects a market value of \$336,210, or \$114.01 per square foot of living area, including land, when applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from May 2016 to November 2016 for \$372,000 to \$405,000, or \$114.96 to \$143.19 per square foot of living area, including land.

Conclusion of Law

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2019 and the instant tax year of 2018 are in the same general assessment period for Stickney Township. The Board further finds that the subject is owner-occupied based on the Board's decision in docket number 19-34232, wherein the Board found that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's 2019 decision, or that the Board's 2019 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, the elements of section 16-185 of the Property Tax Code, which supports the subject's current assessment. Therefore, the Board finds that no reduction is warranted in the subject's assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
