

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sabian Henry  
DOCKET NO.: 18-28072.001-R-1  
PARCEL NO.: 14-06-408-052-0000

The parties of record before the Property Tax Appeal Board are Sabian Henry, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 14,577  
**IMPR.:** \$ 57,923  
**TOTAL:** \$ 72,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of frame construction with 2,052 square feet of living area. The dwelling is 15 years old. Features of the home include a full basement with a formal recreation room, central air conditioning, two fireplaces, and a two-car garage. The property has a 3,169 square foot site, and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal. The appraisal states that the subject is vacant, and, therefore, it is not owner occupied. The bottom portion of each page of the appraisal was not included in the evidence submitted to the Board, and the appraisal's estimate of market value and effective date were not included in the portion of the appraisal that was submitted by the appellant. The appellant also submitted evidence disclosing the subject property was purchased on January 3,

2018 for a price of \$725,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$72,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,937. The subject's assessment reflects a market value of \$769,370, or \$374.94 per square foot of living area, including land, when applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These comparables sold between November 2016 and January 2018 for \$792,000 to \$1,025,000, or \$385.96 to \$416.16 per square foot of living area, including land. The board of review's evidence also states that the subject was purchased in January 2018 for \$725,000.

In rebuttal, the appellant argued that the board of review's comparables should be given no weight for various reasons.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in January 2018 for a price of \$725,000. The appellant provided evidence demonstrating that the sale had the elements of an arm's-length transaction, including disclosing that the parties to the transaction were not related, the property was sold using a real estate broker, and it was advertised for sale on the open market with a listing on the MLS for approximately five months. In further support of the transaction, the appellant submitted the real estate sale contract and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$725,000 as of January 1, 2018. Since market value has been established the 2018 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
