

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chi Woon Kim
DOCKET NO.: 18-28122.001-R-1
PARCEL NO.: 14-29-421-001-0000

The parties of record before the Property Tax Appeal Board are Chi Woon Kim, the appellant(s), by attorney Ellen G. Berkshire, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,600
IMPR.: \$56,915
TOTAL: \$78,515

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, frame and masonry, mixed-use building with 3,912 square feet of building area. The building is approximately 107 years old. The property has a 3,000 square foot site and is located in Lakeview Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted descriptive information on the appeal grid sheet for three sale comparables. The comparables sold between April 2017 and July 2018 for prices ranging from \$143.45 to \$156.40 per square foot of living area, including land. The appellant included printouts with assessment data history in support. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,515. The subject's assessment reflects a market value of \$785,150, or \$200.70 per square foot of living area, including land, when applying the statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three sale comparables, all of which reflected equity data. These comparables sold between July 2015 and May 2017 for sale prices ranging from \$213.71 to \$259.74 per square foot of living area, including land.

Neither party submitted written rebuttal.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review's comparables #1 through #3. These comparables were all similar to the subject in size, age and location, and sold for prices ranging from \$213.71 to \$259.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$200.70 per square foot of living area, including land, which is below the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment to the appellant's request is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
