

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Oien
DOCKET NO.: 18-28404.001-R-1
PARCEL NO.: 14-28-303-098-1001

The parties of record before the Property Tax Appeal Board are Charles Oien, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,759
IMPR.: \$59,990
TOTAL: \$68,749

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of one unit in a three-unit condominium building. The building is 19 years old and is located on a 3,625 square foot site, in Lake View Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted sale price of one unit in the condominium building. The unit sold in January 2017 for \$500,000. The appellant calculated the total assessment of each unit using an adjusted assessment value of 10%, a deduction of 5% for personal property, and requested an assessment value of \$47,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessed value of the subject property as \$68,740. The board of review submitted a "Condominium Analysis Results for 2018" report depicting a market value of \$2,062,499 and an assessed value of \$206,250 for the entire condominium building after analyzing the sale of two comparables that sold in 2017 and 2017 and applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The decisions of the Property Tax Appeal Board will be based on equity and the weight of the evidence. In Cook County, for residential property of six units or less currently designated as Class 2 real estate according to the Cook County Real Property Assessment Classification Ordinance, as amended, when sufficient probative evidence indicating the estimate of full market value of the subject property on the relevant assessment date is presented, the Board may consider evidence of the appropriate level of assessment for PTAB. 86 Ill.Admin.Code §1910.50(c).

Regarding the personal property, neither party submitted evidence that personal property was included in the sale.

The Board finds the appellant failed to submit three comparables. The appellant submitted one sale comparable. The appellant's one sale comparable does not constitute a range. Accordingly, the appellant did not prove by preponderance of the evidence that the subject property was overvalued and a reduction in the subject's assessment to the appellant's request is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
