

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurie Mallon
DOCKET NO.: 18-28556.001-R-1
PARCEL NO.: 14-20-316-022-0000

The parties of record before the Property Tax Appeal Board are Laurie Mallon, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,000
IMPR.: \$38,000
TOTAL: \$58,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story dwelling of frame construction with 1,325 square feet of living area. The dwelling is 125 years old. The property has a 3,125 square foot site and is located in Lakeview Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and overvaluation as the bases of the appeal. In support of the equity argument, the appellant submitted information on eight equity comparables. The comparables ranged in improvement assessment per square foot from \$29.27 to \$45.89.

In support of the overvaluation argument, the appellant submitted sales data for four suggested comparables. The comparables ranged: in sale date from December 2017 to December 2018; in sale price from \$420,100 to \$540,000; and in sale price per square foot, including land, from \$325.58 to \$411.59.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$75,015. The subject property has an improvement assessment of \$55,015, or \$41.52 per square foot of living area. The subject's assessment reflects a market value of \$750,150, or \$566.15 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on eight equity comparables ranging in improvement assessment per square foot from \$28.25 to \$85.01.

In support of the market value argument, the board of review submitted information on four comparable sales, ranging in sale price per square foot, including land, from \$596.15 to \$998.07. These sales sold from May 2015 through March 2016.

The appellant submitted written rebuttal distinguishing the board of review's comparables from the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's sale comparables #1 through #4. The subject's assessment reflects a market value of \$566.15 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified to the appellant's request. The Board also finds that the subject property is now equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
