

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Hoffmeyer  
DOCKET NO.: 18-28603.001-R-1  
PARCEL NO.: 14-18-303-023-0000

The parties of record before the Property Tax Appeal Board are David Hoffmeyer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,880  
**IMPR.:** \$49,160  
**TOTAL:** \$64,040

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 1,694 square feet of living area. The dwelling is approximately 120 years old, has a full unfinished basement, and central air conditioning. The property has a 3,100 square foot site and is located in Chicago, Lake View Township, Cook County. The subject dwelling is classified as a Class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-05 dwellings of frame exterior construction ranging in size from 1,232 to 2,126 square feet of living area. The dwellings are 120 or 130 years old. Each comparable has a full basement with three having finished area and a 2-car or a

2.5-car garage. Two comparables each have central air conditioning. One comparable has two fireplaces. The comparables have improvement assessments ranging from \$37,325 to \$62,726 or from \$26.64 to \$30.30 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$49,160 or \$29.02 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,220. The subject property has an improvement assessment of \$60,340 or \$35.62 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with similar class 2-05 dwellings of frame exterior construction ranging in size from 1,592 to 1,896 square feet of living area. The dwellings range in age from 120 to 127 years old and a partial or a full basement with two having finished area. Three comparables each have central air conditioning. One comparable has a fireplace. Each comparable has a 2-car garage. The comparables have improvement assessments ranging from \$59,557 to \$79,048 or from \$35.83 to \$41.69 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the evidence submitted by the parties supports a reduction in the subject's assessment.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 and the board of review comparable #1 due to their dissimilar dwelling sizes and/or finished basements when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. Although the subject lacks a garage, unlike all the comparables which have garages, these comparables are also similar to the subject in location, design or class code, exterior construction, age, dwelling size, and some features. These comparables have improvement assessments ranging from \$52,154 to \$71,398 or from \$29.63 to \$40.52 per square foot of living area. The subject's improvement assessment of \$60,340 or \$35.62 per square foot of living area falls within the range established by the best comparables. However, after considering adjustments to the comparables for differences when compared to the subject, such as their superior garages and/or differences in other amenities, the Board finds there is clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
