

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John & Ann O'Connor  
DOCKET NO.: 18-28634.001-R-1  
PARCEL NO.: 14-19-406-003-0000

The parties of record before the Property Tax Appeal Board are John & Ann O'Connor, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,500  
**IMPR.:** \$62,720  
**TOTAL:** \$80,220

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 2,111 square feet of living area. The dwelling is approximately 122 years old. Features of the home include a full unfinished basement, a fireplace, and a 2-car garage. The property has a 3,125 square foot site and is located in Chicago, Lake View Township, Cook County. The subject dwelling is classified as a Class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with class 2-05 dwellings of frame exterior construction ranging in size from 1,760 to 2,120 square feet of living area. The dwellings are either 115 or 136 years old

and have full basements with one having finished area. Two comparables each have central air conditioning. Each comparable has a 2-car garage. The comparables have improvement assessments ranging from \$46,070 to \$52,370 or from \$24.27 to \$26.56 per square foot of living area. Based on this evidence, the appellants requested that the subject's improvement assessment be reduced to \$53,155 or \$25.18 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,220. The subject property has an improvement assessment of \$62,720 or \$29.71 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. Three comparables are also located within the same block as the subject property. The comparables are improved with class 2-05, two-story dwellings of frame or masonry exterior construction ranging in size from 1,344 to 2,127 square feet of living area. The dwellings range in age from 120 to 126 years old and have partial or full basements with three having finished area. Two comparables each have central air conditioning. One comparable has a fireplace. Each comparable has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$46,406 to \$76,126 or from \$30.49 to \$35.79 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gives less weight to the board of review comparables #3 and #4 due to their considerably smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellants' comparables as well as the board of review comparables #1 and #2. These comparables have varying degrees of similarity to the subject in age, dwelling size, and other features when compared to the subject. These comparables have improvement assessments ranging from \$46,070 to \$76,126 or from \$24.27 to \$35.79 per square foot of living area. The subject's improvement assessment of \$62,720 or \$29.71 per square foot of living area falls within the range established by the most similar comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
