

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: International Banc, Inc.
DOCKET NO.: 18-28785.001-R-1
PARCEL NO.: 14-19-314-042-0000

The parties of record before the Property Tax Appeal Board are International Banc, Inc., the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,600
IMPR.: \$50,247
TOTAL: \$65,847

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story mixed-use building of frame exterior construction with 3,276 square feet of building area. The building is approximately 140 years old. Features of the building include a partial unfinished basement and a 2-car garage. The property has a 3,000 square foot site located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-12 mixed-use property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are each located within different neighborhood codes than the subject. The comparables are improved with similar class 2-12 mixed-use buildings of frame or masonry exterior construction ranging in size from 2,815 to 3,750 square feet of building area. The

buildings range in age from 115 to 125 years old. Each comparable has a partial or a full unfinished basement. One comparable has central air conditioning. Two comparables have either a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$26,030 to \$48,750 or from \$9.25 to \$13.00 per square foot of building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$39,541 or \$12.07 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,847. The subject property has an improvement assessment of \$50,247 or \$15.34 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with one, two-story mixed-use building and three, two-story multi-family dwellings of frame exterior construction ranging in size from 2,914 to 3,296 square feet of building area. The buildings are either 120 or 132 years old. The comparables have partial or full basements, one of which has an apartment. Each comparable has a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$56,018 to \$59,287 or from \$17.00 to \$20.15 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to their dissimilar locations when compared to the subject. The Board gives less weight to the board of review's comparable #3 due to its basement apartment in contrast to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #2 and #4 as they are similar in location, design, exterior construction, age, dwelling size and most features. These comparables have improvement assessments ranging from \$57,794 to \$59,287 or from \$18.50 to \$20.15 per square foot of living area. The board of review's comparable with the same classification code as the subject has an improvement assessment of \$57,794 or \$18.50 per square foot of building area. The subject's improvement assessment of \$50,247 or \$15.34 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
