

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carolyn Mendenhall
DOCKET NO.: 18-29668.001-R-1
PARCEL NO.: 20-24-410-025-1002

The parties of record before the Property Tax Appeal Board are Carolyn Mendenhall, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,481
IMPR.: \$11,175
TOTAL: \$12,656

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium unit in a residential condominium building with six units. Each unit was designated by a Property Index Number (PIN). The subject was PIN 1002, and owned 16.65% of the common elements. The building is 110 years-old, two-stories, and of masonry construction. The property is situated on 7,116 square feet of land in Hyde Park Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on seven suggested comparable sales. The appellant did not cite

key property characteristics for these properties. The appellant provided a “Market Value Equalization” with an adjustment based on suggested comparable properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,656. The subject's assessment reflects a market value of \$126,560 when applying the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sales for one unit in the building, designated PIN 1006. This unit sold in 2016 for a total consideration of \$128,000. The board of review applied a 1.00% market value reduction for personal property to arrive at an adjusted market value of \$126,720 of the unit sold. The unit sold comprised 16.67% of the common elements of the building. The result was a full value of the property at \$760,167.

In rebuttal, the appellant argued that the comparable properties submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The Board finds the appellant failed to establish the admissibility of and to lay a foundation for the adjustments in the “Market Value Equalization” analysis. Therefore, the Board gives them no weight. However, the Board may consider the raw, unadjusted sale data.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds appellant did not cite key property characteristics for the suggested sale comparable properties. Without these characteristics, no meaningful comparisons can be made among the suggested sale comparable properties submitted by the parties. *See* 86 Ill.Admin.Code §1910.65(c)(4). Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
