

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zully Guerrero Excellence Worldwide Realty  
DOCKET NO.: 18-29696.001-R-1  
PARCEL NO.: 20-26-222-031-0000

The parties of record before the Property Tax Appeal Board are Zully Guerrero Excellence Worldwide Realty, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,800  
**IMPR.:** \$100  
**TOTAL:** \$2,900

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 97-year-old, one and one-half-story, building of masonry construction containing 1,880 square feet of gross building area. Features of the subject include a full finished basement and a one-car garage. The property is situated on 5,425 square feet in Hyde Park Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement that disclosed the subject property was purchased from The Bank of New York Mellon (Bank) on September 5, 2017, for \$29,000 in an all-cash transaction. The subject's sale price reflects a market value of \$15.43 per square foot of gross building area

including land. The appellant also submitted a Multiple Listing Service (MLS) information sheet that disclosed the subject was sold as “REO/Lender Owned” foreclosure property for cash only. The appellant included information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer between related parties; and was advertised and sold through a realtor. The appellant failed to disclose how the transaction was settled. The appellant also submitted information on three suggested comparable sales. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$2,679.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,269. The subject's assessment reflects a market value of \$182,690, or \$97.18 per square foot of gross building area, when using the 2018 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on two suggested comparable sales. The board of review also submitted a brief in which it argued the subject was not sold for fair cash value in an arm's-length transaction.

In rebuttal, the appellant argued that the comparable properties submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics and were based on raw, unadjusted sales data. The appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in September 2017 for \$29,000 is a "compulsory sale." The evidence disclosed that the subject was sold as “REO” property. REO is an abbreviation for “real estate owned.” Black’s Law Dictionary, “REO” (10<sup>th</sup> ed. 2014). Real Estate Owned is defined as “Property acquired by a lender, usu. through foreclosure, in satisfaction of a debt. - Abbr. REO.” Black’s Law Dictionary, “real estate owned” (10<sup>th</sup> ed. 2014). A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

The Board may consider market value evidence, such as sales of comparable properties submitted by the parties, to determine whether the subject was sold at fair cash value. 86 Ill.Admin.Code §1910.65(c)(4); *See* Calumet Transfer LLC v. Illinois Property Tax Appeal Board, 401 Ill.App.3d 652 (1<sup>st</sup> Dist. 2010).

In determining the fair market value of the subject property, the Board may look to other evidence presented by the parties. The Board finds the appellant's comparables #1, #2 and #3, set the range of market value for the subject. These comparables were similar with the subject in location, style, construction, features, age, living area and land area. They ranged from \$13.51 to \$17.75 per square foot of living area including land. The subject's assessment reflects a market value of \$97.18 per square foot of living area including land, which is above the range of the best comparable properties. The subject's sale price reflects a market value of \$15.43 per square foot of living area, including land, which is within the range.

In determining the fair cash value of the subject property and all relevant factors, the Board finds that the appellant did submit enough evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has met its burden by a preponderance of the evidence and that the subject does warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
