

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Kahrman
DOCKET NO.: 18-29706.001-R-1
PARCEL NO.: 20-36-413-008-0000

The parties of record before the Property Tax Appeal Board are James Kahrman, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,231
IMPR.: \$ 6,769
TOTAL: \$ 10,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2018. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a one-story dwelling of masonry construction with 1,267 square feet of living area. The dwelling is 96 years old. Features of the home include a full basement with a formal recreation room and a two-car garage. The property's site is 3,590 square feet, and it is located in Hyde Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on October 20, 2017 for a price of \$100,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$10,000.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$11,606. The subject’s assessment reflects a market value of \$116,060 when applying the 2018 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from May 2016 to July 2018 for \$149,000 to \$229,900, or \$130.13 to \$181.43 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject’s assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in October 2017 for a price of \$100,000. The appellant provided evidence demonstrating that the sale had the elements of an arm’s-length transaction, including disclosing that the parties to the transaction were not related, the property was sold using a real estate broker, and it was advertised for sale on the open market with a listing on the MLS for approximately five days. In further support of the transaction, the appellant submitted a copy of the deed, the real estate sale contract, and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject is overvalued. The Board finds the subject property had a market value of \$100,000 as of January 1, 2018. Since market value has been established, the 2018 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
