

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joshua Mercer
DOCKET NO.: 18-29751.001-R-1
PARCEL NO.: 20-34-216-042-0000

The parties of record before the Property Tax Appeal Board are Joshua Mercer, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,815
IMPR.: \$14,568
TOTAL: \$19,383

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 3,484 square feet of living area. The dwelling is 57 years old. The property has a 5,350 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and overvaluation as the bases of the appeal. In support of the equity argument, the appellant submitted information on three equity comparables. The comparables ranged in improvement assessment per square foot from \$2.73 to \$3.19.

In support of the overvaluation argument, the appellant submitted sales data for three suggested comparables. The comparables ranged: in sale date from November 2015 to March 2017; in sale price from \$62,000 to \$165,000; and in sale price per square foot, including land, from \$18.74 to

\$37.68. The appellant provided printouts from *Redfin.com* as well as the Assessor's office as supporting evidence.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$19,383. The subject property has an improvement assessment of \$14,568, or \$4.18 per square foot of living area. The subject's assessment reflects a market value of \$193,830, or \$55.63 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, all of which reflected sale data. They ranged in improvement assessment per square foot from \$4.09 to \$4.41 and in sale price per square foot, including land, from \$35.12 to \$89.00. These sales sold from January 2018 through August 2018.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 through #4, as the appellant's comparables were much larger in size than the subject property. The best comparables had improvement assessments that ranged from \$4.09 to \$4.41 per square foot of living area. The subject's assessment of \$4.18 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is not justified on this basis.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's sale comparable #2, as well as the board of review's sale comparables #1 through #4. These comparables were most similar to the subject in square footage of living area, location and construction, and sold for prices ranging from \$18.74 to \$89.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$55.63 per square foot of living area, including land, which

is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
