

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Livergood  
DOCKET NO.: 18-30665.001-R-1  
PARCEL NO.: 14-19-232-005-0000

The parties of record before the Property Tax Appeal Board are Sharon Livergood, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$23,800  
**IMPR.:** \$39,486  
**TOTAL:** \$63,286

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, apartment building of masonry construction containing 3,028 square feet of living area. The dwelling was constructed in 1964. Features of the dwelling include a full unfinished basement, two and one-half baths, and a two-car garage. The property has a 4,250 square foot site in Chicago, Lake View Township, Cook County. The subject is a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. The appellant requested the subject's improvement assessment be reduced to \$54,910.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables which sold from October 2015 to August 2018 for prices ranging from \$560,000 to \$740,000 or from \$181.35 to \$240.55 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,503. The subject has a total improvement assessment of \$54,703 or \$18.07 per square foot of living area. The subject's assessment reflects a market value of \$785,030 or \$259.26 per square foot of building area, including land, when applying the 2018 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review submitted four equity comparables.

In rebuttal, the appellant's attorney states that the board of review did not address the appellant's market value argument and distinguished the board of review's comparables based on size. The appellant reaffirmed the evidence submitted and requested a reduction in the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, and #4. These comparables are similar in sale date, size, age, and location. These comparables sold for prices ranging from \$181.35 to \$240.55 per square foot of living area, including land. These comparables are similar in sale date, age, location, and size. The subject's assessment reflects a market value of \$259.26 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified and equitable assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
